

POSITION ANNOUNCEMENT

The Department of Physics and Astronomy at Texas A&M University is seeking qualified applicants for an untenured visiting assistant professor position for a temporary, part-time assignment teaching PHYS 222 for the ten-week summer 2014 semester. A MS degree in physics or astronomy is required, and a PhD is preferred.

Applications for this position will be accepted until the position has been filled. Each applicant should submit vita and publication list and the names, addresses, telephone numbers, and e-mail addresses of at least three references via e-mail (as Word or .pdf attachments) to visitors@physics.tamu.edu.

Texas A&M University is an equal opportunity/affirmative action employer. The university is further dedicated to the goal of building a culturally diverse and pluralistic faculty and staff committed to teaching and working in a multicultural environment and strongly encourages applications from women, minorities, individuals with disabilities, and veterans.
